Experience

SENIOR JAVASCRIPT DEVELOPER

INSITE TECHNOLOGY (MINISTRY SYNC); REMOTE   JUL 2018 - PRESENT

- Worked in sprints with a remote development team on Fundeasy & Attendeasy products
- Lead Developer on serverless (AWS) platform for processing and validating email addresses
- Lead Developer on a distributed message service for handling third-party integrations & webhooks
- Created public and internal REST APIs and associated documentation websites
- Created and shipped Zapier App for integration with Zapier platform

JAVASCRIPT DEVELOPER, DESIGNER

BY THE BOOK, INC; BYRON, IL   JUN 2012 - JUN 2018

- Developed and deployed Count Me In - Events – an online event registration & ticketing platform
- Developed and deployed a custom CRM to meet specific needs and unify disparate systems
- Maintained and kept company web presence and store
- Designed and rebranded all in-house marketing materials (print and web)

FREELANCE, DESIGNER

3CORD DESIGN, LLC; GRAND JUNCTION, CO   2010 - JUN 2012

- Served 5 local and 5 remote clients with recurring print and web design
- Created HTML emails, page design, icons and general web graphics for Ansca Mobile/Corona Labs
- Built an iOS app for Barchowsky Fluent Handwriting, a handwriting coach in Maryland

Noteworthy Projects

Email Validation Service (Node / AWS Lambda)   FEB 2019 - PRESENT

- Monitors and validates email addresses at scale using on-demand, serverless functions
- Verifies address formatting plus dns records on up to 20,000 addresses in under 30 seconds

Integrations & Webhooks Message Service (AWS SQS / Lambda)   JUL 2018 - PRESENT

- Processes over 500k messages monthly to deliver in-app events and actions to third party platforms
- Accompanying public documentation for webhooks and data handling
- Infrastructure-as-code project development style to ensure easy deployment and upkeep

Count Me In - Events (SaaS) – Meteor (Blaze/React JS, MongoDB)   APR 2016 - 2018

- Web-based event registration system subscription service with ticketing and merchandise sales
- Met target launch date with an average 5 star rating on Capterra
